The screenshot shows a web browser window with the URL <https://google.qwiklabs.com/focuses/2794?locale=en&parent=catalog>. The page title is "A Tour of Qwiklabs and Google Cloud". At the top, there is a blue bar with a "Start Lab" button and a timer showing "00:45:00". Below this, a message says "Thanks for reviewing this lab." The main content area features a "Congratulations!" heading, a colorful hexagonal icon, and a paragraph stating: "In just 30 minutes, you developed a solid understanding of the Cloud Console and the platform's key features. You learned about projects, roles, and the types of services the platform offers. You also practiced with Cloud IAM, the APIs library, and Cloud Shell. You are now ready to take more Google Cloud labs in Qwiklabs." Below this, there is a section titled "Continue your Quest" which explains that a Quest is a series of related labs and provides links to "Google Cloud Essentials Quest" and "other available Qwiklabs Quests". A "Next steps/Learn more" section follows, advising users to check out other labs for more practice with essential Google Cloud services. On the right side, a user profile dropdown is visible for "Sagulya Herman" (sagher20@student.hk.se) with 25 Credits, including "Settings" and "Sign Out" buttons.
